# MODEL 95

High Performance

Plastic Commercial Pool Pump

SPECK X

## Features

- Large one-piece housing design with integrated strainer basket for faster pump priming.
- This high performance pump comes complete with a Cyclam 20mm seal that allows the pump, if mistreated, to run dry for up to one hour.
- The pump can be used for pool water with a salt concentration of up to 5000 ppm.
- Equipped with 4" quick disconnect unions for easy installation and maintenance. A wrench for unions and lid is included with each pump. Flanges are available on request.
- Available with heavy duty, energy efficient, totally enclosed fan cooled (TEFC) or Open Drip Proof (ODP) motor designs.
- Compatible with many manufactured VFD's.
- Two year warranty on the motor and all pump parts, including normal wear of the mechanical seal.
- Every pump is performance tested before leaving the Speck factory.

Model 95-X (w/ TEFC Motor)
